

OTTAWA VALLEY GOLF ASSOCIATION ANNOUNCES HALL OF FAME 2022 INDUCTEES

MAY 9, 2022 (Ottawa, Ontario) - The Ottawa Valley Golf Association (OVGA) is pleased to announce its second class of inductees into the OVGA Hall of Fame.

The OVGA Hall of Fame was established in 2021 to acknowledge, honour and perpetuate the memory of individuals and organizations that have made a significant and positive contribution to golf in the area served by the Association. Inductees include players, both amateur and professional, as well as builders within the area served by the Association.

"I think our inaugural year of the OVGA Hall of Fame in 2021 was a great success," said OVGA President Dru Lafave. "It was a wonderful way to celebrate the milestone of our 100th anniversary of organized amateur golf in the Ottawa region. Our class of 2022 recognizes three professional players and two amateur players with outstanding careers, and two individuals in the Builder category who dedicated significant time and effort over many years supporting competitive amateur golf. I have great respect and admiration for golfers who excel in our sport and those who give back to the game. It is a real pleasure and a humbling experience to be co-chair of the OVGA Hall of Fame Committee."

MARY DRUMMIE - Kanata, Irish Hills and Canadian Golf Clubs

While playing out of the Kanata Golf Club in Kanata, Ontario, Mary was an avid golfer, but her forte was in administration.

She became the Quebec Vice-President in 1988-1989, Quebec President in 1990-1991 and then in 1994-1995 became the Vice-President of the National Office of the Canadian Ladies' Golf Association.

Mary became the President of the CLGA in 1996-1997.

JOHN HOLZMAN - Rideau View Golf Club

Looking at John's profile in the July, 2010 issue of Flagstick Golf Magazine, a couple of lines stand out and actually define John Holzman:

As a Rideau View Country Club Member John says at best he was a 5 or 6 handicap but when it came to administrating a game he loved he was far better than scratch. "I enjoyed the administration part of the game," he told us. "I met the greatest people. Not only the players but the people on the committees and working in the associations."

In the mid 1970's after acting as the Rideau View representative in a Centennial Golf Tournament, John found his way to the Board of the Quebec Golf Association (QGA now Golf Quebec) representing the Ottawa District. In 1977 he became a director of the Ottawa District Golf Association (ODGA), the precursor to the current Ottawa Valley Golf Association (OVGA). In its first year of existence in 1981, John was the first President of the OVGA. In 1979, John was appointed to the National Board of the Royal Canadian Golf Association (RCGA now Golf Canada), a position he would hold for 13 years.

A humble man, John was honoured by Flagstick Golf Magazine in 2009 by having the OVGA's Men's Senior Intersectional Trophy named after him.

Plans are underway for individual, as well as group, award presentations to accommodate travel schedules and provincial health and safety protocols.

Nomination procedures for the 2023 OVGA Hall of Fame are available online at ovga.org.
